

PROTECT MINORS FROM DANGEROUS LIQUOR ACCESS

The public safety of Texans will be threatened with direct-to-consumer (DTC) liquor sales, making it easier than ever for minors to buy, access, and consume liquor.

Did you know that over 80% of Texans DO NOT support anyone under the age of 21 selling hard liquor.

DIMINISHED PROTECTIONS

Online liquor purchasing lacks vital barriers of protection & verification of age that in-store protocols ensure.

DIMINISHED PROTECTIONS

Online liquor purchasing lacks vital barriers of protection & verification of age that in-store protocols ensure.

DTC sales would undermine TX liquor laws that only permit persons 21+ from entering a liquor store.
